

Outlook 2012 Investment Seminar 27 January, 2012

Join us, & Friends in New York City

You are invited to join us and friends in New York City for what promises to be a thought-provoking and insightful one day event. An expert panel of accomplished speakers will present their outlook for 2012 as well as share their views on the recent developments in the financial markets. We will also explore how key market developments might impact your investment strategy in 2012 – and understand the continued importance of asset allocation and diversification in managing your portfolio.
