## 9th Global Wealth Management Seminar

## Speakers and seminar packages

Jyske Global Asset Management (JGAM) is pleased to invite you to join us for an investment seminar in Copenhagen in August 2010. The seminar will be hosted in collaboration with Jyske Bank Private Banking. This is the 9th Global

Wealth Management Seminar to be held by Jyske Bank Private Banking.

All seminar sessions will be held at the 5-star Copenhagen Marriott Hotel. This is also where you will be accommodated.

### Speakers

The seminar will focus on the development of the financial markets and how the past years' Great Recession could affect your investments. A range of speakers will give us their views on this topic. The seminar language will be English.

Detailed information will follow in April 2010, but we can already now unveil a list of interesting and distinguished speakers. The final list of speakers will be ready in April 2010. Please see page 2 for the current list.

### Seminar packages

The seminar in Copenhagen (25-28 August) is the main package. If you wish to extend your stay for a few days, we invite you to join us for a visit to Jyske Bank's Head Office in Silkeborg (29-30 August). You will be staying at the Bank's beautifully located conference centre Gl. Skovridergaard.

The programme will leave time for you to explore the city of Copenhagen as well as to see other sights of Denmark – we will arrange some excursions to suit different interests, whether you are into historical sites or wish to be active yourself. Please see page 3 for further details.

A detailed invitation and the final details on registration will be available in April 2010, but book your calendar already now.

If you have any questions, please do not hesitate to contact your Portfolio Manager or Business Development at JGAM on our toll free tel. **1-866-602-JGAM** or email: **info@jgam.com**.
